# Chief Impact™ | On-Wall Portrait Kiosk

Depth-adjustable exterior frame maximizes flat panel compatibility to suit a variety of displays and future display changeouts (display depth up to 70mm)

Integrated wall reveal compensates for uneven walls to keep the frame plumb and provides passive cooling on all sides of the Kiosk frame.

# Chief Impact™ | On-Wall Portrait Kiosk

## Unique Easy-to-service Features

*Exclusive design keeps display mounted to frame* when opened for full access to AV storage and cabling

*Reversible hinges* help avoid installation and service obstructions
